

The image shows the front cover of an old book. The cover is decorated with a complex marbled paper pattern, featuring large, irregular, dark grey or black spots with lighter, often white or cream, centers, creating a cellular or 'stone' effect. Interspersed among these are thin, branching veins of reddish-brown and yellowish-gold. The overall texture appears aged and slightly worn. In the center of the cover is a rectangular teal-colored label with rounded corners. The label is framed by a decorative black border with a repeating scroll or 'S' pattern. On the label, the text 'HATBORO,' is printed in a bold, black, serif font on the top line, and '1876.' is printed on the bottom line. To the left of the label, a small portion of the book's spine is visible, showing a dark, possibly black, material. Further to the left, a small, light brown, rectangular piece of paper or tape is attached to the spine area.

Notice to Assessors.

You are hereby notified, as far as it is possible for you to do, to have your assess book fully completed on the day specified in your precept to return the same—by the word COMPLETED is meant, to have every column in the book added, the result written down at the foot thereof, in lead, or in ink in any color except black; the aggregate amount of property taxable for county purposes carried out on every line and placed in the proper column, and the same added as above directed; the recapitulation as printed in blank on last leaf of assess book to be properly filled up as designated; all assessments, remarks, &c., of any kind whatever, to be written with black ink; and any lead pencil writing or figures that you may find in the book as given you, are to be corrected and written over with black ink, before returning the same. You have no authority to change the valuation of any real estate, except you find it has been assessed too high or too low, by mistake, or when property has been improved since the last previous assessment; in either of said cases it is your duty to change the valuation accordingly, and report each case to the County Commissoiners. In regard to the number and valuation of personal property, and the valuation of occupations, it is your duty to change and correct whenever in your opinion it is required, in order that the assessment may be more equal and just, and in proportion to the respective incomes of each. You should not calculate or carry out any State or County tax in either of the columns for same, and you should not carry out the aggregate amount of things taxable for State purposes. Until the above is fully carried out no order for your pay will be granted. And in rendering your bill for pay as assessor, you will specify the date of each day by you actually and necessarily so engaged, allowing _____ hours for a day, the same to be verified by oath.
